ארבע כרזות-פלא שתהפוכנה אותנו ליפים יותר, צודקים יותר:

SHALOM MEANS PISS

PISS ON YOU!
GET FUCKED WITH THE ARABS!

THINK ABOUT
YOUR CHILDREN

If you want them to live in peace,
in a real Jewish Atmosphere, in a young
and dynamic country with a good weather,
in the land of milk and honey enclosed
with historical and biblical tradition —

COME TO LIVE IN ISRAEL

לאחינו היהודים
THINK ABOUT YOUR
CHILDREN

Would you like to see them starving in a
country which has to fight for its
existence and needs help to go on,
living for you and for the whole Jewish world.
Their children have no choice — they pay
with blood, for your children.
Help Israel to exist. —
