

A vintage Sony advertisement. The central focus is a tall stack of Sony audio components: a turntable on top, followed by a tuner/amplifier, a graphic equalizer, a cassette deck, and a double cassette deck at the bottom. The stack is flanked by two large, floor-standing speakers with two drivers each. A woman in a patterned dress is dancing on the left, and a man in a striped shirt and light trousers is leaning against the right speaker. The background is a desert landscape with a starry sky and a bright sunburst effect. The Sony logo is visible on the turntable and the top of the stack.
